To Whom It May Concern:

David Plummer, LMFT, has served as a field experience site supervisor for students in the Master of Arts in Counseling Programs in the School of Psychology & Counseling since 1999.

During that time period, he has provided approximately 4,000 hours of supervision to students.

Please let me know if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "David M. Savinsky Ph.D.".
