CHAPTER 3

CHAPLAIN CORPS PERSONNEL

3.1. Chaplains.

3.1.1. Chaplain Designation. The Air Force Chief of Chaplains is the sole authority for designating officers as chaplains and removing that designation. Chaplains receive their functional badge upon successful completion of the Air Force Basic Chaplain Course. (T-1).

3.1.1.1. To be designated as a chaplain by the Chief of Chaplains under Title 10 United States Code, Section 8067 (h), the officer must satisfy the requirements set forth in Department of Defense Directive (DoDD) 1304.19, *Appointment of Chaplains for the Military Departments* and Department of Defense Instruction (DoDI) 1304.28, *Guidance for the Appointment of Chaplains for the Military Departments*, and AFI 36-2005, *Officer Accessions*, **Chapter 4**. (T-0).

3.1.1.2. Chaplains must meet DoD and Air Force physical, medical, and age requirements (see DoDI 6130.03, *Medical Standards for Appointment, Enlistment, or Induction into the Military Services*, AFI 48-123, *Medical Examinations and Standards*, and AFI 36-2005, **Chapter 2**). (T-0).

3.1.1.3. Air National Guard Chaplains (NGB/HC). Reference AFI 36-2005, **Paragraph 1.5.2.2** for further information and guidance.

3.1.1.4. Statement of Ecclesiastical Endorsement. Chaplain Career Management Branch (AFPC/DP2H) maintains a valid DD Form 2088, *Statement of Ecclesiastical Endorsement*, for each Regular Air Force chaplain. AFRC/HC maintains a valid DD Form 2088 for each reserve chaplain and chaplain candidate. NGB/HC and Joint Forces Headquarters in each state maintain a valid DD Form 2088 for each Air National Guard chaplain.

3.1.1.5. Maintaining Designation. For entry into, award, and retention of this specialty, ecclesiastical endorsement from a religious organization recognized by the Department of Defense Armed Forces Chaplains Board is mandatory (see Air Force Officer Classification Directory, DoDI 1304.28, and AFI 36-2005). (T-0).

3.1.1.5.1. Chaplains must comply with the requirements of their ecclesiastical endorsing organization. (T-0).

3.1.1.5.2. Endorsing religious organizations may require attendance at endorser-sponsored or endorser-approved meetings and/or training events for chaplains endorsed by the organization.

3.1.1.5.2.1. Endorser-Mandated Events. When endorsing organizations mandate attendance at training, meetings, consultations, or other events, the event is an Air Force requirement and temporary duty is authorized. Wing chaplains may authorize assigned chaplains to attend one funded event per year. A lack of funds is not a valid reason to authorize permissive temporary duty for endorser-mandated events.

3.1.1.5.2.2. Non-mandatory Events. Chaplains are authorized permissive temporary duty to attend non-mandatory events in accordance with AFI 36-3003, *Military Leave Program*.

3.1.1.5.2.3. Reserve Chaplains. For Reserve chaplains, refer to AFI 36-2254, Volume 1, *Reserve Personnel Participation*.

3.1.1.5.3. Certification and Licensure. Organizations may require chaplains to maintain certification and licensure in areas of specialized care related to the Chaplain Corps mission. Agency or professional association regulations dictate certification and licensure requirements. For the purpose of meeting these requirements, chaplains may request temporary duty, permissive temporary duty, or leave status in accordance with Joint Ethics Regulation and AFI 36-3003.

3.1.1.6. Change of Ecclesiastical Endorsement. The Chief of Chaplains or delegated authority approves or disapproves requests for change in ecclesiastical endorsement for Regular Air Force and Air Force Reserve chaplains. The National Guard Bureau Chaplain Corps Office in coordination with the Adjutants General of the particular state or territory will approve or disapprove changes of ecclesiastical endorsement of Air National Guard chaplains.

3.1.1.6.1. Change of Endorsement Process.

3.1.1.6.1.1. Chaplains who choose to change religious organizations will submit a Request for Change in Ecclesiastical Endorsement Memorandum ([Attachment 2](#)). Chaplains submit the memo through their MAJCOM Chaplain (or equivalent) to the Chief, Personnel, Budget, and Readiness Division (AF/HCP). The memo will include a statement of intent to change religious organizations. The memo must state the chaplain has communicated with both current (or former) and prospective endorsing agents. (T-1).

3.1.1.6.1.2. The requesting chaplain must ensure the prospective endorsing organization requests a reference from the current (or former) endorsing organization regarding the chaplain's qualification to continue serving as an Air Force Chaplain. (T-1). The reference should include the chaplain's spiritual, moral, intellectual, and emotional capabilities. The prospective endorser should note the communication in Section 5 of DD Form 2088.

3.1.1.6.1.3. The Chief of Chaplains reviews the request. The review process includes determining if the request fills a valid Air Force requirement.

3.1.1.6.1.4. The Chief of Chaplains will approve or disapprove requests for change in ecclesiastical endorsement. AF/HCP will return the package to the following individuals, where applicable: major command chaplain, wing chaplain, and requester. (T-1).

3.1.1.6.1.5. The Chief of Chaplains has discretion to disapprove change of ecclesiastical endorsement requests if the chaplain has a record of disciplinary action (i.e., referral evaluation, Unfavorable Information File, Letter of Reprimand, Article 15, etc.). The Chief of Chaplains may also disapprove changes for cause in accordance with guidance for withdrawal of chaplain designation.

3.1.1.7. Withdrawal of Chaplain Designation.

3.1.1.7.1. The Chief of Chaplains will automatically withdraw a chaplain's designation upon retirement, separation from the Air Force, or transfer out of the Chaplain Corps. (T-0).

3.1.1.7.1.1. A chaplain whose designation has been withdrawn will not perform the duties of a chaplain or wear the chaplain badge. (T-1). However, retired chaplains and honorably separated chaplains may wear the badge when authorized to wear the uniform and in accordance with AFI 36-2903, *Dress and Personal Appearance of Air Force Personnel*, unless their designation was withdrawn for cause in accordance with **Paragraph 3.1.1.7.2** of this instruction.

3.1.1.7.2. The Chief of Chaplains has discretion to withdraw chaplain designation for cause, including, but not limited to, the following:

3.1.1.7.2.1. The chaplain fails to maintain ecclesiastical endorsement. Chaplains have ten duty days to seek new endorsement before they are reclassified. Chaplain candidates and reserve and guard chaplains not currently serving on reserve personnel appropriation or military personnel appropriation orders have 45 calendar days to seek new endorsement.

3.1.1.7.2.2. The chaplain fails to maintain ethical or professional standards. Standards include, but are not limited to non-combatant status, privileged communication, and the trust inherent in the clergy-penitent relationship.

3.1.1.7.2.3. The chaplain violates the Uniform Code of Military Justice. For Air National Guard serving on United States Code Title 10 orders, the chaplain violates the Uniform Code of Military Justice.

3.1.1.7.2.4. The chaplain violates state or federal criminal statute(s).

3.1.1.7.2.5. The chaplain fails to successfully complete Commissioned Officer Training/Total Force Officer Training.

3.1.1.7.2.6. The chaplain fails to successfully complete Basic Chaplain Course.

3.1.1.7.2.7. Upon recommendation of the Chaplain Corps Council serving as the Chaplain Corps Ethics Advisory Committee.

3.1.1.7.2.8. The Chief of Chaplains determines that withdrawal is in the best interest of the Air Force.

3.1.1.7.3. Wing chaplains (or equivalent) may recommend withdrawal of a chaplain's designation. Wing chaplains submit recommendations to the Chief of Chaplains through the Major Command Chaplain Corps Office to AF/HCP. Wing chaplains and Chaplain Corps supervisors at each leadership level may add pertinent information and documentation.

3.1.1.7.3.1. When the Chief of Chaplains receives a recommendation or has sufficient basis to consider withdrawal, the chaplain is notified of the proposed action and is afforded an opportunity to present information to show cause why the action should not be taken. The chaplain has 10 duty days to respond (45 calendar days for reserve or guard chaplains not on reserve personnel appropriation or military personnel appropriation orders).

3.1.1.7.3.2. The Chief of Chaplains may suspend designation or restrict the chaplain from specific duties, pending a final decision.

3.1.1.7.3.3. For Air National Guard chaplains, the Chief of Chaplains recommends a final course of action to The Adjutant General of the chaplain's state, commonwealth, or territory.

3.1.2. Terms of address or salutation for chaplains.

3.1.2.1. Chaplains may use title and rank (e.g., Chaplain, Captain John Smith) in official correspondence.

3.1.2.2. Individuals may address chaplains as "chaplain," regardless of rank (e.g., Chaplain Smith).

The privilege of non-disclosure of confidential information belongs to the person who made the communication and may be claimed by the person’s guardian, or conservator, or personal representative if the person is deceased or incapacitated. The chaplain or Religious Affairs Airman who received the communication may also claim the privilege on behalf of the person who made the communication. (T-0).

5.5. Privileged and confidential communications distinguished. Privileged communications and confidential communications are often considered synonymous. Generally, a confidential communication is also privileged. However, privileged communication refers to information which is not admissible in a court or legal action, while confidential communication is a more general concept, referring to information which is protected both in and out of the legal context. A confidential communication may become privileged if the person who made the communication is facing court-martial charges. Military Rule of Evidence 503 provides an explanation of the communications to clergy privilege. The Manual for Courts Martial, Military Rule of Evidence 503, is available in the Special Publications section of the Air Force E-Publishing online library, under the tab labeled, “Miscellaneous.” If there is any question as to whether a communication is confidential and/or privileged, contact the servicing legal office for advice.

5.6. Disclosure of confidential information. Chaplains and Religious Affairs Airmen will not disclose a confidential communication revealed in the course of their duties without the informed consent of the person who made the communication or unless required by law. (T-0). This consent must be freely given and not compelled and must be specific regarding the information to be disclosed by the chaplain or Religious Affairs Airman. Chaplains and Religious Affairs Airmen will not obtain a blanket release at the initiation of the communication. Whenever possible, this consent will be written, witnessed by an impartial witness, and include a signature and date. A release from confidential or privileged communication is inapplicable to cases where a chaplain is

bound by the requirements of sacramental confession, equivalent faith group requirement, or personal conviction. (T-0).

5.7. Claim of privilege in a court-martial proceeding. Generally, neither commanders nor courts may require a chaplain or individual to disclose a confidential communication when a privilege exists. However, if a military judge or other presiding official decides that no privilege exists, a chaplain or Religious Affairs Airman may have a legal obligation to testify. Chaplains are strongly encouraged to seek both legal counsel and advice from chaplain supervisors in all situations where the existence of privilege may be questioned, to include the effect of State law on confidentiality and applicability to those chaplains not operating under Title 10 authority.

5.8. Sensitive information. Sensitive information is any non-confidential communications that would be an inappropriate subject for general dissemination to a third party (for example, information protected under the Privacy Act).

5.9. Special Instructions.

5.9.1. Files containing confidential information. Chaplains may keep notes on privileged and confidential communications to assist them in providing pastoral care and counseling. Religious Affairs Airmen will not keep notes on any privileged or confidential communications. (T-1). Chaplain notes from confidential and privileged communication are to be clearly marked “Confidential: Privileged Communication” and distinguished in the chaplain’s personal files from professional information and sensitive information. Protected information files will be properly secured and safeguarded, protecting them from inadvertent disclosure. When confidential or sensitive information is stored in digital form, the chaplain must take steps to ensure the confidence or privilege cannot be breached. Confidential communication, professional communications, and sensitive information files are the personal files of the individual chaplain (counselor). These files are not to be maintained in any system of records that may be subject to the Freedom of Information Act. Chaplains will personally dispose of them and ensure their destruction through a secure means. As personal or private records, counseling notes are not regulated by the Air Force Information Management System. A chaplain will destroy confidential and/or privileged counseling records on any client at two years past termination of counseling or at the permanent change of station of the client or chaplain. (T-0).

5.9.2. Chaplain Corps personnel and confidential communication. Chaplain Corps personnel who assist chaplains and Religious Affairs Airmen to accomplish the chaplain’s mission, including chaplain candidates, and civilian Chaplain Corps employees, are bound by the same constraints of confidence and privilege as chaplains. (T-0). However, chapel employees who are not religious ministry professionals and/or employed in that role will ensure persons seeking to exercise a sacramental requirement, receive religious advice, or receive counseling disclose confidential information only to a chaplain. (T-0).

5.9.3. Sacramental Requirements. Requests for release from privileged communication do not apply to chaplains bound by the sacramental requirements (or equivalent) of their endorsing organizations. No member of the Armed Forces may require a chaplain to disclose a confidential communication when such disclosure is contrary to the conscience, moral principles, or religious beliefs of the chaplain. (T-0).

5.9.4. Death of Chaplain Corps personnel. In the event a serving Chaplain Corps member dies, the wing chaplain (or equivalent) will appoint a chaplain or Religious Affairs Airman to review the deceased's files and destroy any privileged communication. (T-0). The privilege of confidentiality will extend to the Religious Affairs Airman conducting the review and destruction of such files. (T-0). Reference AFI 34-511, *Disposition of Personal Property and Effects*, **Paragraph 1.4.3.1.2** for information on the appointment of chaplains as summary court officers. In the event the Office of Special Investigations (OSI) conducts an investigation into the death of a chaplain, OSI must ensure physical and electronic files marked as privileged and/or confidential communications obtained by OSI are secured, unopened, and immediately delivered to the Chaplain Corps summary court officer for disposal. (T-0).

5.10. Communications regarding counselees. Chaplains may consult with supervisory chaplains and chaplains within the functional chain to ensure the best care and safety for counselees. Whenever this happens, the privilege of confidentiality will extend to all chaplains brought into these consultations. Chaplains must exercise great caution to avoid inadvertent disclosure of privileged information. (T-0).

5.11. Personal communications between supervisory and subordinate Chaplain Corps personnel. Privilege does not extend between Chaplain Corps personnel and their supervisors when discussing their personal and professional issues. Chaplain Corps supervisors will not enter into sacramental relationships with subordinates that involve privileged or confidential communications. (T-2). Chaplains and Religious Affairs Airmen who require pastoral counseling or confidential communication must do so with a chaplain outside their supervisory chain to claim privilege and avoid conflicting responsibilities. (T-0).

5.12. Counseling children. All chaplains and Chaplain Corps civilian religious ministry professionals providing counseling to children will complete all required background checks and training necessary for approval to work with children. (T-0).

5.13. Incompatible Taskings. Commanders will not task Chaplain Corps members to serve in a capacity that may compromise privileged communication. (T-0).

CHAPTER 6

CHAPEL VOLUNTEER PROGRAMS

6.1. Overview. A chapel volunteer is an individual who performs gratis services in an official capacity in support of Chaplain Corps programs. 6.2.7.5. Maintains a daily record of hours volunteered. Reports annually, the amount of hours worked to the Chaplain Corps Volunteer Supervisor.

6.3. Volunteer Management.

6.3.1. Volunteer Exclusions.

6.3.1.1. Volunteers will not hold policy-making positions, supervise paid employees or military personnel, or perform inherently governmental functions, such as determining entitlements to benefits, authorizing expenditures of government funds, or deciding rights and responsibilities of any party under government requirements. (T-1).

6.3.1.2. Volunteers may assist and augment military and civilian Chaplain Corps personnel. Volunteers will not displace Chaplain Corps personnel or serve in lieu of filling authorized paid personnel positions. (T-1).

6.3.2.3. Private Organization Volunteers. Private organization volunteers support private organizations authorized access to the installation in accordance with AFI 34-223. Refer to AFI 34-223 for private organization volunteer background check requirements. The Chaplain Corps is not responsible for providing private organization volunteers' required background checks, training, or records management. Private organizations utilizing chapel facilities will otherwise meet the same requirements as Chaplain Corps volunteers. (T-3).

6.3.3. Volunteer Status. The Air Force considers an appropriated funds or CTOF volunteer as an employee of the Government only while providing services under this instruction. Employee status applies only when the volunteer is acting within the scope of the services accepted by the Chaplain Corps; further, that status applies only for lawful purposes as detailed in DoDI 1100.21. (T-0).

6.3.4. Volunteer Supervision. The type of service provided by the volunteer determines the degree to which the volunteer must be supervised. Personnel management rules and procedures applicable to exercising authority, direction, and control over paid employees and military personnel are not applicable to volunteers.

6.3.4.1. Wing chaplains (or equivalent) will identify the volunteer supervisor using a DD Form 2793. Volunteer supervisors must be Chaplain Corps military members, paid government civilian employees of the chapel, chapel program contractors, or another supervised chapel program volunteer. (T-0).

6.3.4.2. The Volunteer Supervisor will report each volunteer's service hours to the Volunteer Program Manager at least once per month. (T-2).

6.3.5. Volunteer Orientation and Training.

6.3.5.1. Initial Orientation and Training. Volunteer Supervisors will complete **Part 1** of DD Form 2793, and provide all new volunteers initial orientation and training. Upon completion of initial orientation and prior to performance of volunteer services, volunteers will sign a DD Form 2793 and Chapel Non-disclosure Agreement. The Volunteer Supervisor will give a copy to the volunteer and provide the original to the Volunteer Program Manager. The initial orientation and training must include, at a minimum (T-0):

6.3.5.1.1. Assigned Duties.

 - 6.3.5.1.10. Safety Requirements.
- 6.3.5.2. Vehicle Training. Any Chapel volunteer whose duties include driving a vehicle must possess a valid driver's license. Volunteers are subject to screening through the National Driver Registry and must comply with applicable training requirements. (T-2).
- 6.3.5.3. Recurring Training. All volunteers will receive recurring, annual training concerning the volunteer requirements listed in this instruction. Volunteer supervisors will note the training on a sign-in sheet. Supervisors will provide a copy of the sign-in sheet to the Volunteer Program Manager for storage in the volunteer's record. (T-2).

6.4. Volunteer Program Management.

- 6.4.1. Volunteer Program Manager. The volunteer program is considered mission essential. DoD Civilian, Military Chaplain Corps personnel or a contractor will manage the program. (T-1).
- 6.4.2. Volunteer Program File. The Volunteer Program Manager will maintain a paper based or electronic file with the following sections (T-1):
- 6.4.2.1. Appointment Letter.
 - 6.4.2.2. List of Volunteers and Supervisors. A summary list of all volunteers, their assigned supervisors, the assigned Chaplain Corps program(s), and hours each volunteer has worked.
 - 6.4.2.3. Supervisor Training Plan and Sign-in Sheets.
 - 6.4.2.4. Active Volunteers Files. Maintain signed DD Form 2793, chapel non-disclosure agreement, training plans, job descriptions, and other records containing pertinent volunteer information.
 - 6.4.2.5. Terminated Volunteer Files. Maintain final DD Form 2793 in the volunteer program file in accordance with [Paragraph 6.4.2.8](#) of this instruction.
 - 6.4.2.6. Volunteer Recognition. Supervisors should provide appropriate opportunities for recognition and appreciation of volunteers. See AFI 36-3009, *Airman and Family Readiness Centers*.

6.4.2.7. Reimbursement for Expenses. Volunteer Managers may not reimburse volunteers for services provided. Managers may reimburse expenses incidental to the provision of voluntary services. The wing chaplain must approve, in advance, reimbursements for all incidental expenses. (T-3).

6.4.2.8. Disposition of Records. For volunteers in active status, Volunteer Managers will retain volunteer records indefinitely or until terminated. (T-1). For a volunteer who transfers or who has not participated in a 90-day period, managers will place the volunteer's record in an inactive file and destroy it after 2 years. (T-1). Managers may electronically maintain a summary of each volunteer's service until no longer needed.

6.5. Background Checks for Children's Ministry Programs.

6.5.1. Air Force Chaplain Corps leaders at all levels must ensure the safety and welfare of minors, age 17 years and under, participating in Chaplain Corps activities. DoDI 1402.05 governs the requirement. Chaplain Corps leaders must also safeguard Chaplain Corps employees and volunteers. The senior installation chaplain serves as office of primary responsibility for this policy at the local level. (T-0).

6.5.2. Approval authority. The senior installation chaplain has final approval authority for members working or participating in chapel programs involving minors.

6.5.2.1. This guidance applies to all military, General Schedule civilian personnel, contractors, and volunteers working or participating in military-sanctioned chapel programs.

6.5.3. Responsibilities.

6.5.3.1. Wing chaplains (or equivalent) will ensure line-of-sight supervision exists for non-specified volunteers and individuals pending favorable adjudication, who will have interaction with minors in chapel programs (See [Paragraph 6.5.4.3.1](#) for an explanation of a non-specified volunteer). (T-0).

6.5.3.1.1. Line-of-sight supervision is continuous visual observation and oversight. Line-of-sight supervisors may oversee several separate classrooms and volunteers at the same time (e.g., Sunday School, Vacation Bible School, etc.). Line-of-sight supervisors must be in the same facility and must provide ongoing visual oversight. (T-0). Ongoing visual oversight can include observation via an open door, a classroom door window, or via visual technology (such as closed-circuit television).

6.5.3.1.2. Individuals restricted to line-of-sight supervision may otherwise interact with minors only under the following conditions (T-0):

6.5.3.1.2.1. The interaction occurs in the presence of the minor's parent or guardian.

6.5.3.1.2.2. Interaction is necessary to prevent death or significant harm to the minor and line-of-sight supervision is unrealistic or infeasible.

6.5.4. Requirements.

6.5.4.1. Line-of-Sight Supervisors.

6.5.4.1.1. Line-of-sight supervisors are individuals that have favorably met all adjudication requirements. Line-of-sight supervisors may include chaplains, Religious Affairs Airmen, chapel employees, and chapel contractors. Line-of-sight supervisors supervise non-specified volunteers and individuals pending favorable adjudication. (T-1).

6.5.4.1.2. Line-of-sight supervisors require one of the following (T-0):

6.5.4.1.2.1. Favorably adjudicated Tier 1 investigation with Child Care Coverage, plus FBI fingerprint check and installation records check.

6.5.4.1.2.2. Favorably adjudicated Tier 3 or 5 investigation with state criminal history repository check. This includes a check of child abuse and neglect and sex offender registries for all states lived in during the previous five years. It also includes a FBI fingerprint check and installation records check.

6.5.4.1.3. Line-of-sight supervisors may provide line-of-sight supervision as well as interact alone with minors in chapel programs.

6.5.4.1.4. It is preferable to assign a minimum of two Chaplain Corps members or authorized volunteers to a room where minors are present.

6.5.4.1.5. Chaplains, Religious Affairs Airmen, all chapel employees, and contractors who may come into contact with minors in chapel programs must meet line-of-sight supervisor requirements. (T-1).

6.5.4.2. Specified Volunteers.

6.5.4.2.1. Specified volunteers are individuals who could have extensive or frequent interaction with minors in chapel programs over a period of time. Specified volunteers include, but are not limited to:

6.5.4.2.1.1. Religious education instructors.

6.5.4.2.1.2. Positions involving extensive interaction alone with minors.

6.5.4.2.1.3. Volunteers who will participate in lengthy travel or overnight activities with minors.

6.5.4.2.1.4. Volunteers providing childcare for Chaplain Corps classes (e.g., marriage enhancement seminars, faith book studies, etc.).

6.5.4.2.2. Specified volunteers require an FBI advanced fingerprint check plus installation records check. (T-0). Specified volunteers do not require a Tier 1 investigation with Child Care Coverage and State Criminal History Repository Check.

6.5.4.2.3. Specified volunteers may interact alone with minors, but will not serve as line-of-sight supervisors. (T-0).

6.5.4.3. Non-Specified Volunteers.

6.5.4.3.1. Non-specified volunteers are persons who interact with minors in a chapel program. However, the interaction is of such short duration the volunteers do not require a criminal history background check (e.g., one day class trips, class party, Vacation Bible School, etc.).

6.5.4.3.2. Non-specified volunteers must always be under line-of-sight supervision when interacting with minors. (T-0). Non-specified volunteers do not require a background check.

6.5.4.4. Installation Records Check.

6.5.4.4.1. An installation records check reviews records in the two-year period before and up to the date of application.

6.5.4.4.2. The wing chaplain (or equivalent) will ensure the chapel program installation records check includes these offices: Installation Law Enforcement (Security Forces Management Information Systems), Alcohol and Drug Abuse Prevention Treatment, and Family Advocacy (Central Registry). (T-0).

6.5.5. Overseas Guidelines. As applicable, the employing agency must request foreign government checks of individuals serving on DoD installations overseas. Installation chapel programs must obtain a host national agency security check. Such checks must be comparable to those required by DoD and Air Force instructions. Where it is not possible to obtain comparable criminal history checks, wing chaplains (or equivalent) will designate foreign nationals as non-specified volunteers. Volunteer supervisors will keep such volunteers under line-of-sight supervision when in the presence of minors. (T-0).

6.5.6. Conspicuous Identification.

6.5.6.1. Chapel volunteer program managers will prominently identify specified and non-specified volunteers, and line-of-sight supervisors by means of distinctive badges, clothing, or other visible markings. Program managers will post or print information (e.g., worship bulletins, newsletters, facility signage) to communicate the purpose of the markings to staff and program participants. (T-0).

6.5.6.2. Conspicuous identification of personnel interacting with minors may include creative elements such as hats, shirts, smocks, lanyards, etc. However, chapel programs must meet the following minimum requirements (T-0):

6.5.6.2.1. Line-of-Sight Supervisors. Conspicuous identifier must be green in color.

6.5.6.2.2. Specified Volunteers. Conspicuous identifier must be yellow in color.

6.5.6.2.3. Non-Specified Volunteers. Conspicuous identifier must be red in color.

6.5.7. Self-Reporting. Persons providing volunteer services involving minors must immediately report subsequent automatic disqualification criteria or presumptive disqualification criteria to their position supervisor or the program chaplain. DoDI 1402.05 outlines disqualification criteria. Wing chaplains (or equivalent) will immediately suspend disqualified persons from providing services, pending review and final disposition of their case. (T-0).

6.5.8. Reverification. Specified volunteers, chaplains, Religious Affairs Airmen, General Schedule civilians, contractors, and all line-of-sight supervisors must complete reverification of State Criminal History Repository checks. Personnel must complete reverification every five years. Reverification must include a check of child abuse and neglect and sex offender registries for all states lived in or worked in over the previous 5 years. Reverification also must

include an installation records check and FBI fingerprint check. (T-0). DoDI 1402.05 outlines further reverification requirements.

CHAPTER 7

NOTIFICATIONS AND REPORTING

7.1. Casualty Notifications.

7.1.1. Casualty Notification Team Support. Chaplains may serve on commander-led casualty notification teams. They provide pastoral care and support for next-of-kin and casualty notification team members. Commanders will not assign chaplains the duty of casualty notification officer. (T-2).

7.1.2. Reporting Death, Hospitalization, and Illness of Chaplain Corps Personnel. Wing and MAJCOM-level senior Religious Support Teams may report the death, hospitalization, or grave illness of Chaplain Corps personnel to the next functional level. Teams may report this same information regarding their sponsored family members. Teams will not report such information without documented permission from the individual or the next of kin. (T-0). Teams should make their reports within 24 hours using encrypted means of communication.

7.2. Air Force Chaplain Corps Activity Reporting System (AFCCARS).

7.2.1. The Air Force Chaplain Corps Activity Reporting System translates functional activities and strategic priorities into weighable and objective data. It tracks spiritual care and core activities. It assists in tactical, operational, and strategic trend analysis, risk assessment, execution planning, and manpower determination.

7.2.2. All wing or installation-level chaplains, Religious Affairs Airmen, and civilian religious ministry professionals (government schedule federal employees) assigned to Air Force reporting organizations will utilize Air Force Chaplain Corps Activity Reporting System to record their participation in Chaplain Corps activities. (T-1).

7.2.3. The recording of functional activities is an individual responsibility. The member completing or sponsoring an activity cannot delegate or reassign the responsibility to another individual.

7.2.4. AFIMSC/HC generates and routes data aggregates to HQ USAF/HC as directed by HQ USAF/HCX. AFRC units route data aggregates to the AFRC/HC Command Recorder. Air National Guard units route data aggregates to the NGB/HC Command Recorder.
