Dear Coalition of Spirit-filled Churches Military and Veterans Affairs Chaplains,

We trust that you are well and enjoying your ministries.

An important part of a chaplain's professional life is continuing education as well as networking and fellowship with other chaplains. It provides for a healthy exchange of ideas and opportunities to develop professional relationships.

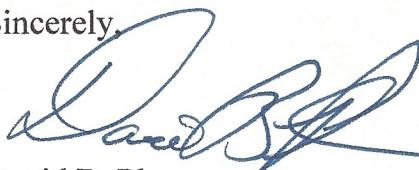

With this in mind, we are encouraging you to consider attending the national **Military Chaplains Association annual meeting, 28-31 October**. This year it is in Orlando on the Disney property. This venue also offers an opportunity to spend some quality time and recreation with family and friends. I am planning to attend and we are planning to host a meal so that as a group we may enjoy some great fellowship. More details are forthcoming. The conference will be in conjunction with the Military Officers Association of America. For more information, please visit www.mydisneymeetings.com/moaamea.

This conference will meet our expectations for your continuing education as a professional chaplain – and hopefully provide some R & R!

Any questions about this endorsing office request may be addressed to the undersigned at Chaplaincy@Spirit-filled.org or 877-CSC-CHAP.

May you be blessed and refreshed!

Sincerely,

David B. Plummer
