Encourage the Wounded Warriors and Veterans at your VA Medical Center

Dear Chaplain,

More than ever before, our current service members, wounded warriors, and veterans need to be reminded that their service to our country has not gone unnoticed. As a means to help provide such encouragement to our brave men and women, Operation Thank You has designed several pre-printed cards with an area for a personal, handwritten message of support.

These cards are great resource for showing your appreciation to the veterans who use your medical facility. They can also be used during patriotic holiday programs and especially during annual Veteran appreciation events.

They are professionally printed on 4" x 6" card stock with a full color glossy front and a matte finish back. They have become treasured keepsakes to the thousands of service members, wounded warriors, and veterans who have received them. (See sample card designs)

They are available exclusively from Operation Thank You, a non-profit organization that is a registered vendor with the Department of Defense and Department of Veterans Affairs. To add us as an approved vendor at your facility, please use our tax identification number (55-079646) and address which is listed above. We are authorized to accept credit cards, purchase orders, and checks.

These cards are available at a discounted price of .20 per card and shipping is free. You may place an order online at www.OperationThankYou.org. Phone orders can be placed by calling us toll-free at 1-866-645-6284 or use the Order Form to mail back or fax to us.

Thank you for your ongoing care of America's bravest men and women. We hope to partner with you in your mission to honor and care for those who have borne the battle.

Sincerely,

BRIAN L. BOHLMAN
